

Lenoir-Rhyne University
 College of Business and Economics
 Bachelor of Arts in Accounting
 Catawba Valley Community College Articulation: AAS in Accounting

Each potential candidate to the Lenoir-Rhyne College of Business & Economics must make application to Lenoir-Rhyne University. Upon acceptance by the University, each student will be assigned an academic advisor to assist in planning course selection and sequencing. Each student is encouraged to consult with the advisor in the program.

The applicant must:

1. Be accepted by Lenoir-Rhyne University (LR).
2. Successfully complete the AAS in Accounting degree from Catawba Valley Community College (CVCC).
3. Have an overall cumulative GPA of 2.0 minimum in all collegiate-level course work, from all institutions attended since HS graduation (or equivalent).
4. Have earned no grade less than C in any required course as part of the AAS in Accounting curriculum.
5. Submit one letter of recommendation from present (or most recent) instructor or employer.

Degree Requirements:

Lenoir-Rhyne University will accept up to 64 hours upon admission to the University. In order to maximize transfer credit, we strongly recommend students select from the following courses which are pre-approved for transfer credit towards the LR Core and Major Curriculum (with a final grade of C or better) that are also easily incorporated into the AAS in Accounting curriculum.

*All degree programs at Lenoir-Rhyne University require a minimum of 128 earned credit hours. There are no exceptions to this rule. Students participating in this articulation agreement should successfully earn:

63	<i>Transferrable credits (as outlined above)</i>
34-36	<i>Remaining LR Core credits (completed at LR)</i>
<u>33-42</u>	<u><i>Remaining LR Major credits (completed at LR)</i></u>
130-141	<i>Total Credits Earned for BA Degree</i>

*The number breakdown above is an estimate based on the assumption that students have followed the outline above. Students who have taken courses not listed as part of this agreement may still receive transfer credit for the courses taken but cannot be guaranteed to meet the minimum standards of the LR Core and/or Major curriculums. In the rare case a student has satisfied all core and major course requirements but has not yet earned a minimum of 128 credit hours, additional course credits must be earned at Lenoir-Rhyne for degree completion.

Example Curriculum Layout at Lenoir-Rhyne University

Below is an example of how students participating in this articulation agreement could satisfy the BA degree requirements at Lenoir-Rhyne in two years (including summer). This is just an example and not a prescribed layout, and may change upon enrollment based upon both course availability and the student’s personal schedule. Students must take at least 12 hours each semester to be considered fulltime and should average 16 hours per semester in order to complete BA degree within two years (Six or less terms). *Note: Lenoir-Rhyne cannot guarantee that required courses are offered every semester – course availability is largely determined by enrollment and demand. Please consult with Academic Advisor for course selection and degree-requirement planning.
