Total	16	16	

* FYE 191 and FYE 192 are seated courses at LRU. All other LRU courses will be offered online.

* Students with 26 or more transferable college credit hours will be required to take LRU 101 or 102 instead of FYE 191 and 192.

* There are no courses equivalent to FYE 191/192 and LRU 101/102 at the community college. Therefore, these courses will not count toward total course load.

> In order to remain dually enrolled, non-NUR designated courses from the final year can be taken earlier if needed, but will not count toward total course load.

^ Students must complete capstone in either NAT 388, HSB 388, or HUM 388.
